MATERIAL SAFETY DATA SHEET

THIS MSDS COMPLIES WITH 29 CFR 1919.1200 (THE HAZARD COMMUNICATION STANDARD)

Identification

Product Name:
Eye Envy™ NR Tear Stain Remover

Chemical Family: Not applicable

Product Type: Not applicable

Formula: Not applicable

Other Names: None

Hazardous Ingredients of Material

Ingredients:

The base ingredient Boric Acid is not considered hazardous

Other ingredients are determined to be Non Hazardous, Including Distilled Water

Physical Data for Material

Appearance: Clear Liquid

Appearance: Clear, free flowing liquid

Boiling Point: 100° C

Specific Gravity: Not applicable

Vapor Pressure: Not applicable

Solubility in Water: Soluble in cold or hot water

Fire and Explosion Hazard of Material

Flash Point (T.C.C.): None

Special Fire Fighting Procedures: Non flammable

Extinguishing Media: Use any means suitable for surrounding fire.

Unusual Fire and Explosion Hazards: None

Reactivity Data

Stability: The product is stable

Hazardous Polymerization: Not applicable

Instability Temperature: Not Available

Incompatibility: Potassium, carbonates and hydroxides.

Corrosivity: Can be corrosive to base metals

Hazardous Decomposition: None

Health Hazards

Inhalation: None known

Eye Contact: Although not irritating under normal conditions, excessive and prolonged use may cause irritation and redness.

Ingestion: Solution is not intended for ingestion. Swallowing small amounts is not likely to cause any noticeable effects.

Chronic Exposure: Not a carcinogen, not hazardous material.

Skin Contact: Although not irritating under normal conditions excessive and prolonged use may cause skin dryness and irritation.

Emergency and First Aid Procedures

Eyes: Check for and remove any contact lenses then flush with water

Skin: Wash skin with mild soap and water if irritation develops or persists.

Inhalation: Remove to fresh air.

Ingestion: Swallowing small quantities will cause no harm to healthy adults. For larger amounts drink water and seek medical attention.

Special Protection Information

Respiratory Protection: None

Ventilation Requirements: Local exhaust ventilation

Protective Gloves: None, under normal use

Eye Protection: None under normal use

Spill or Leak Procedures

Spills and Disposal: Any spills clean up with mop or similar absorbing material. Can be disposed down drains.

Waste Disposal: Rinse and discard empty containers.

Storage and Handling Information
